## Pawprints Left By You Story

When “Pawprints Left by You” author Teri Harrison’s beautiful German Shepherd, Kip, lost his life to cancer, Teri was taken aback by the silence left in his place. She wrote “Pawprints Left by You” to capture both the love she felt for her treasured pet and the sadness she experienced at his passing. In the over 20 years that have since followed, Teri’s words continue to resonate with thousands of pet lovers looking for the words to remember and honor their own best friends.
